Juniata College
Huntingdon, PA

A group of students are sitting on a grassy field. In the foreground, a young man with dark hair is lying on his stomach, looking towards the camera. To his right, a young man with a mustache and dark hair is sitting up, looking towards the camera. Behind them, a young man with long brown hair is sitting with his back to the camera, wearing a white t-shirt with a graphic. To the left, a young woman with blonde hair is sitting, wearing a yellow shirt. In the background, other students are visible sitting on the grass, and there are trees and a building in the distance.

A photograph of three dancers in white tutus performing a synchronized pose on a stage. They are all in a similar pose, with one leg extended to the side and arms raised. The background is dark, and the stage floor is visible.

Each beginning brings chances ...

A college experience brings many changes to the life of a young person. Everyone who arrives at Juniata in the fall faces new people, new living conditions, new bureaucracy, and new lifestyles. But these strangers and unfamiliar places soon become friends and home. In the beginning every freshman is filled with enthusiasm and high ideals of what the next four years will be like. They soon learn that the only way to grow and mature is to adapt. The experience and flexibility they acquire enables them to carry on and ROLL WITH THE CHANGES!!!

BEGINNING Jan. 12
YOU MUST CARRY
THOSE SNEAKERS THAT
YOU PLAN TO EXERCISE IN
OTHERWISE, NO ADMITTANCE.

As sophomore and junior years arrive, students become comfortable with the JC way of life. The changes and adaptations each student makes only adds more experience and knowledge to their make-up. Hassles sometimes seem overwhelming, but it is their character which see them through. During the "middle years" friendships are strengthened and goals become clearer. Now is the time to plan the future! The tougher tests are waiting, but they will be prepared!

Each experience brings new beginnings ...

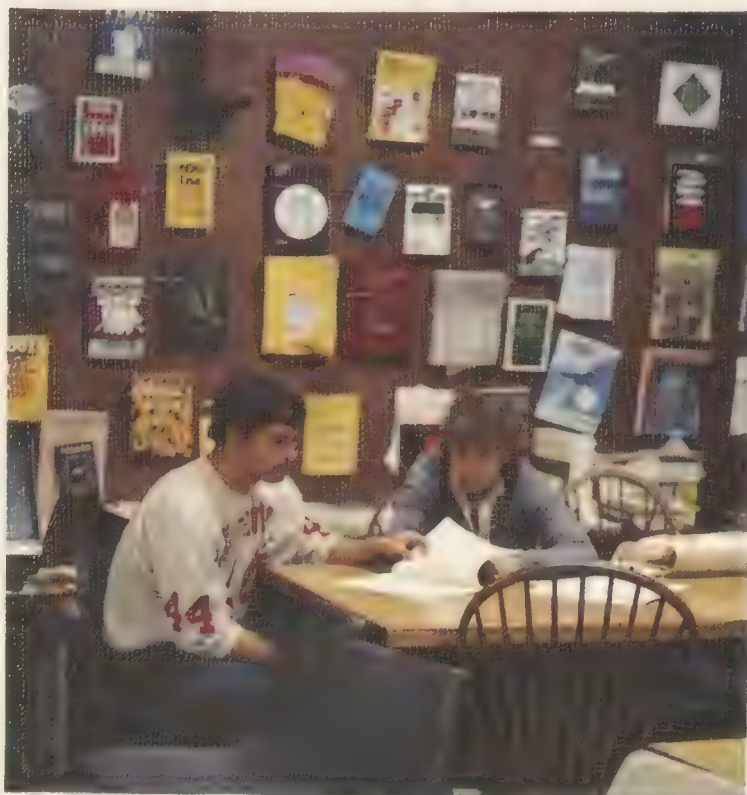

Senior year at last! The Class of '83 came into Juniata in September, 1979 as anxious as any freshman group to meet college life head-on. Changes have been a distinct part of this class and have accompanied them through their trek here: a new gym constructed, an old gym torn down, a new curriculum code complete with new Freshman Comp and Logic and Language, a new co-ed Cloister, from WKVR to "The Voice". How about the new events like Springfest and Mud Volleyball? There are also new faculty, new clubs, and always, new friends.

During sophomore and junior year they plugged along through all the required courses which seemed horrendous at the time. Organic and OFA, HOBO and Chordate: Is there life after Physics? They dreamed of registering first and having first choice at room drawing. Their numbers lessened, but they were still the largest class ever at Juniata.

How quickly it all flew by! Now as seniors the experience gained at Juniata will be the springboard to new people and new places. They face the "real world" and so the cycle has come full circle. Beginnings and changes, changes and experience, experience and new beginnings. Carry on!

Roll With the Changes

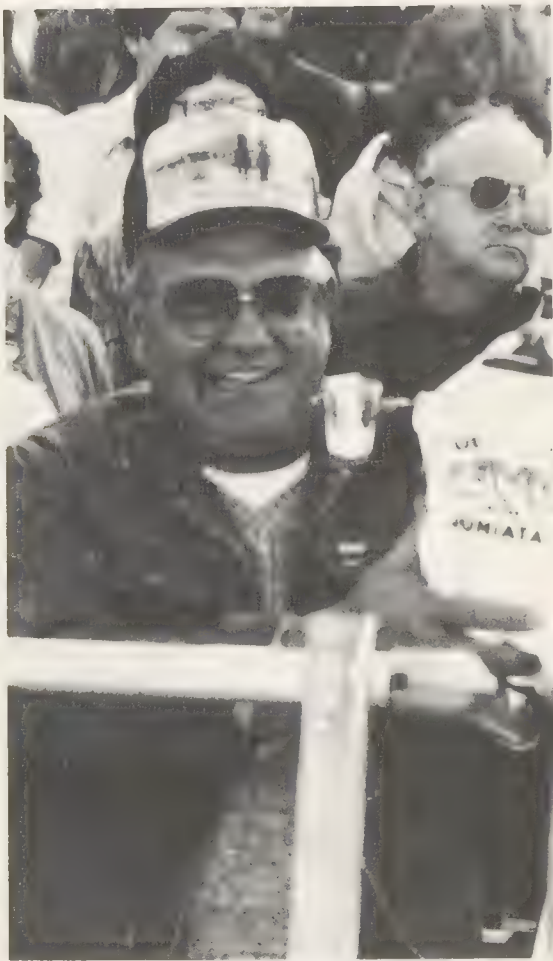

Storm The Arch!

The school year just doesn't open until the Storming of The Arch. This year got started earlier than most. Before dark the die-hard upperclassmen flocked to the wall, teasing the freshmen. The defenders were well armed with water balloons which were shot from a catapult located on the porch. Freshmen charged boldly, countering the comments from the enemy, only to be put in their place. Women and other men watched from the lawn and Cloister windows, as the freshmen were abused and sometimes stripped. Even the refs were hesitant to get involved. After a few good charges and many casualties, the men had the last laugh when they rushed off to storm Lesher. There is still a chance to gain back some dignity! Those involved slept well that night, perhaps harboring a hangover and a bruise or two, but the Arch was successfully defended - until next year!!

In October, when we've just about gotten used to Juniata, Parent's Weekend comes. Parents, friends and relatives abound bringing all the possessions that just wouldn't fit in the car in September, and also assorted survival needs such as 'real food'. Making this weekend in 1982 unique was the first appearance of the Juniata marching band and band-front, along with the traditional artists on the Hill. The weekend began early as we all cleaned our rooms to pass inspection and as much as we don't like to admit it, it was good to see Mom and Dad once again, and yes even the kid brother and sister also!

Mountain Day seemed to come as no surprise this year. The day dawned and thankful students fell back to sleep for maybe another hour or two before enjoying the day's activities. The Senior women once again proved their strength by capturing the Tug-o-War championship, for their third time. The Senior men could not keep up and were eliminated early on. The egg toss was messy but proved to be fun for all who were involved. Once again the faculty emerged the victors in the Senior-Faculty football game. The day came as a welcome break from Fall term classes, but reality hit hard as we came back to our books that we had left behind for a day.

Homecoming brings back memories and this year it brought back the well-liked Class of '82. Seeing old friends made everyone smile, fitting into this year's theme, "Give Me a Smile". The Class of '84 pulled away the float competition. With appearances by the marching band and the Cloister Kazoo Band, the parade was made complete. Bonnie Benner, escorted by Roger Spatz, was crowned the 1982 Homecoming Queen.

Halloween Dinner

This year's Halloween Dinner came as quite surprising compared to those of previous years. Costumes were really original, ranging from the towel clad Go-Go's to the First Leshar Nunnery - complete with Pope 'Fro'. Other ideas included togas, army suits, and girls dressed in black demanding to win! It's a nice surprise to see that the employees as well as the students got into the fun and dressed up.

Madrigal Dinner

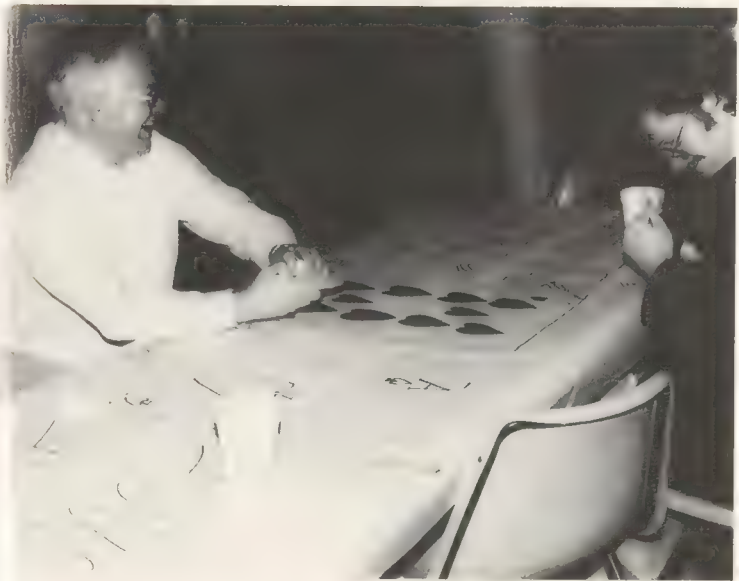

Madrigal Dinner has become one of Juniata's finest traditions. Each year the time that the table line begins is a bit earlier, but the wait is worth it in the end. Seeing everyone dressed in their best with a dash of Christmas cheer showered over all makes the evening special. This year's entertainment provided new dimension, but the dinner concluded with the all-time favorite, "The Twelve Days of Christmas", more competitive than ever. By the end of the song, the words had been altered and the "golden rings" were standing on their chairs! After the dinner the dance and parties kept the Christmas spirits high!

Winter Week

This year Winter Week held a variety of activities. The week began with Casino Night, where the dealing was done by the pros. Highlights of the evening were the gerbil races and blackjack tables. Also the Circle K Marathon, held the second weekend, helped raise money for M. S. All week the dorms were involved in a competition. At dinner, points were awarded to the residents that participated in silly activities such as wearing hats, sweats, signing a scroll and the traditional-wear blue and gold. Leshner came out first, with steady points in each event giving them the lead. Sherwood held its own and followed a close second. Third was Tussey-Terrace. North took the football game from the Cloister men in the finals. Despite Cloister's overall finish in last, the awesome Arch Women captured the volleyball title without a single loss. Winter Week helps to bring some fun into the weeks that usually are dull!

Change the Channel to . . .

The theme of this year's All Class Night was "Prime Time Television", but the competition seemed to center around something else — the new gym. Excuse me, Sports + Recreation Center!!!

Capturing first place for the second year in a row were the Juniors with their "Star Trek" adventure. Complete with TV crew and commercials, the Enterprise crew came to Juniata in search of a crystal. Their quest here brought them to the bureaucracy of the Recreation Center.

In second place were the Sophomores with their version of "Fantasy Island." With authentic scenery that included "de plane", palm trees, hula girls, Mr. Roarke and Jack U., the play was entertaining indeed. They dealt with some of the aspects of Juniata that touch home base with all students: finals, profs, and of course, the new gym.

The Senior Class made history by "not being last" as they came in third place. The "Taylor Highland Hillbillies", based on "The Beverly Hillbillies", told the story of Jed Clampett and his family who strike it rich and head to Huntingdon. Jethro tries to get through Juniata, but tangles with tough courses. The play ended with the dedication of the new gym, as Jed received his white-soled boots! A fine effort by the Seniors. Too bad they can't come back now, y'hear!

Last, but not least, were the Freshmen, who sailed on "The Love Boat." With some live entertainment between scenes, and a cast of Juniata students and professors on board, the youngest class put on a fine show. Better luck next year!

Thanks to the Faculty for their eyebrow-raising version of "Genital Hospital". And you thought those folks were just mild-mannered teachers! Now you know what goes on in the Faculty Lounge!!!

Kennedy Sports + Recreation Center

On April 17, 1983, Juniata's Founders Day, the Sports + Recreation Center was dedicated to Dr. Edwin Kennedy and his late wife, Ruth E. Kennedy. Before a group of trustees, faculty members, students and the sneaker-clad Class of '83, NFL football coach and Juniata graduate Chuck Knox spoke of the pride found at Juniata and the educational reputation which places Juniata far above any other school. Two honorary degrees were presented to Dr. Kennedy and Mr. Knox. Reverend Andrew Murray led the litany of dedication. The natatorium was named for Juniata president, Frederick Binder, who, in keeping with the spirit of the day, donned white-soled sneakers. Thanks to all who made this structure possible, including those who donated their time and money. It is an asset which belongs to the entire Juniata community - past, present and future.

May Day

The rain did not dampen spring spirits on May Day, held to honor Juniata women. Upon arrival, women were greeted by the men who volunteered to be waiters for the morning event. With style and humor (and maybe a little bit of nerves), they seated the women, poured coffee and served breakfast to an impressed room of females. Carol Broadwater spoke of the impact that Juniata and the people here have had on her life. The program continued with the introduction of the honored men and women. Two more deserving individuals couldn't have been chosen for woman and man of the year ...

Springfest

A Saturday in May is devoted to the annual Springfest. Basically a relaxing day, a number of events are planned. Musicians on Oller Steps drew a crowd of sunbathers who brought blankets and frisbees to the lawn. This provided a different perspective on a lazy afternoon. Various organizations provided booths for food and games. Friday evening a dance in the multi-purpose room featured the "Sharks", a popular band from the Harrisburg area. The group performed old favorites as well as their own material.

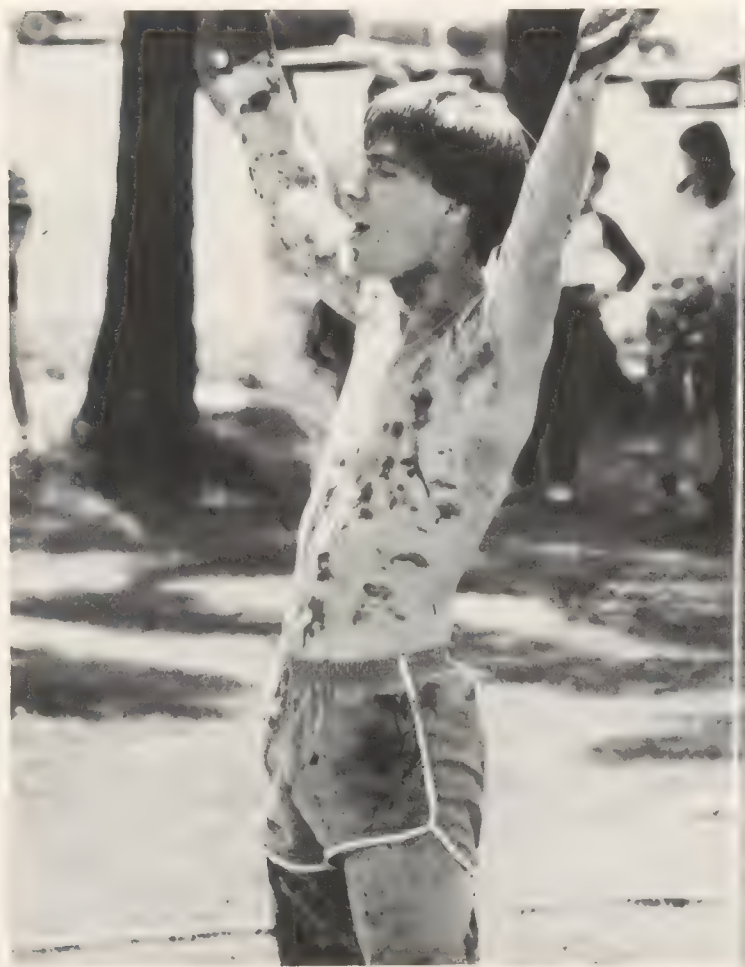

Mud Volleyball

College life gives us license to do things that we ordinarily would not because we find them silly — dressing in togas, storming the arch, and playing volleyball in the mud on a warm, Friday afternoon.

Competition began at 1:00 p. m. and continued into the early evening in the single loss elimination tournament. Players wore their oldest and most worthless clothes to play in the sticky, oozing mud. It was best to get involved in the fun. Otherwise someone would playfully throw you in anyway! Music by V-103 kept the participants going. Games were played to 15 points or 15 minutes, due to the high number of teams entered.

Sponsored again by JEC, the dirty event provided the ideal opening to the weekend and made it possible for everyone to have some good, clean fun!

Just Floating Along . . .

Despite postponement due to high waters and cold weather, the Raft Regatta set sail on the second weekend in May. Late Friday evening and early Saturday morning the construction crews built rafts, some resembling navy ships, others barely surviving the trip down to the launch. A brisk current kept the rafts moving. A few brave people swam from raft to raft. It was a nice time to sit back with a beer and just sail on down the line, catch a few rays or do a little sleeping.

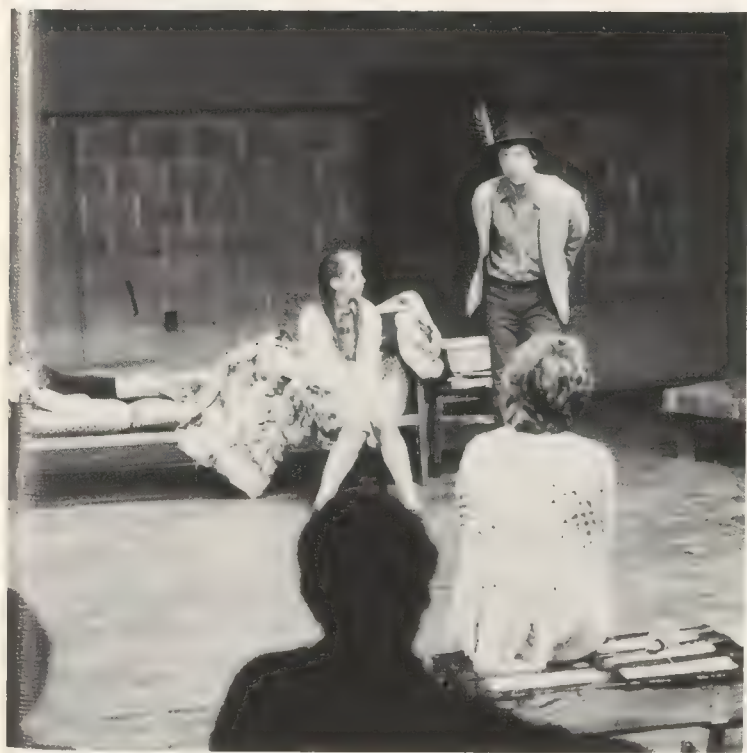

One Act Plays

One does not have to travel to Hollywood to view fine acting. The One-Act Plays, student directed and cast, provide an evening of fine entertainment right here in Juniata. It could be your roommate in one of these photos who could be a star someday!!

Fall Play - Mirandolina

The play tells the story of an innkeeper who hates men, only to be won over by a man who hated women. Later she ends up leaving him and marrying another.

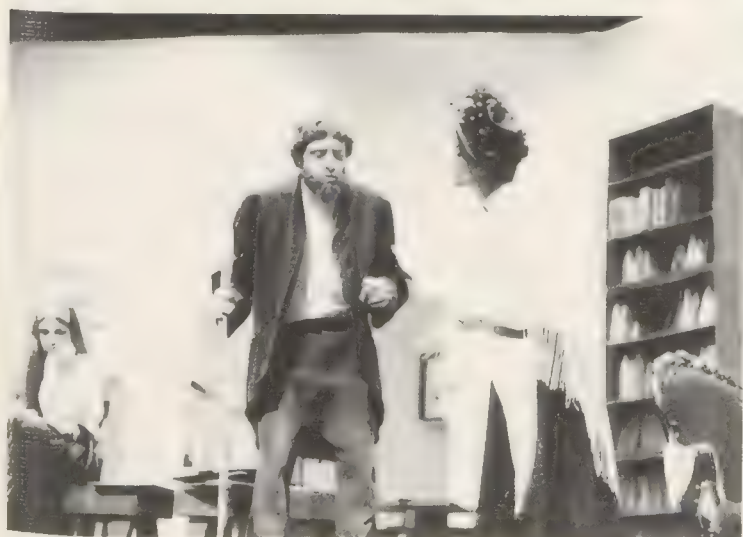

In the spring play, "The Corn is Green," an educated woman tries to start a school in a Welsh mining town. She meets resistance from the people and then encounters a bright student who wants to get a scholarship to Oxford.

Both productions featured fine campus talent and the splendid director, Professor Luise Van Keuren.

Culture Club

Even though Juniata is located in a small town, many big names in music and theater find their way here! The Artist Series featured the Icelandic Men's Choir, the Central Pennsylvania Youth Ballet, and "The Mikado", among others. Groups such as La Tuna and the Trinidad Tripoli Steel Band added an international flair to the cultural program. Dramas such as "The Fantasticks" and "Same Time Next Year" brought live theater to the stage of Oller Hall. The vast array of performers, made possible by Centerboard and the Fine Arts Committee, broadened the horizons in a manner different from the textbooks.

The women then traveled to LaJolla, California to the NCAA Division III National Championships and placed fourth. Congratulations to Coach Larry Bock and Asst. Coach Priscilla Gibboney for molding an outstanding group of athletes, and also to Co-Captains Sue Barker and Claudia Tweardy who were both named to the All-American team.

Outstanding performances by the Lady harriers included a first place victory at the Allentown Invitational, second place finish at MAC's, and fourth place finish at the NCAA qualifiers. Individually Kathy Duffy and Carol Tendall were standouts. The men's team was led by senior Tom Hoffman. Mark Royer had an outstanding finish to the season leading the harriers in both the MAC'S and the NCAA qualifiers. Special thanks to Coaches Bill Latimore and Don Mitchell.

The Juniata Soccer team coached by Klaus Jaeger ventured into its fourth varsity season hoping to regain the winning form of the previous campaign. Injuries kept the Indians from becoming a strong force: a 2-12 season record. Bright spots included an exciting Homecoming game with Albright; and Rainer Mueller was selected to the second team of the MAC All-Stars.

1982-83 Yearbook Sports Staff: Row 1: W. Alexander, C. Wright, L. Golamis; Row 2: S. Parsons, A. Bragg, T. Yonko, M. Serio; Not Pictured: R. Green.

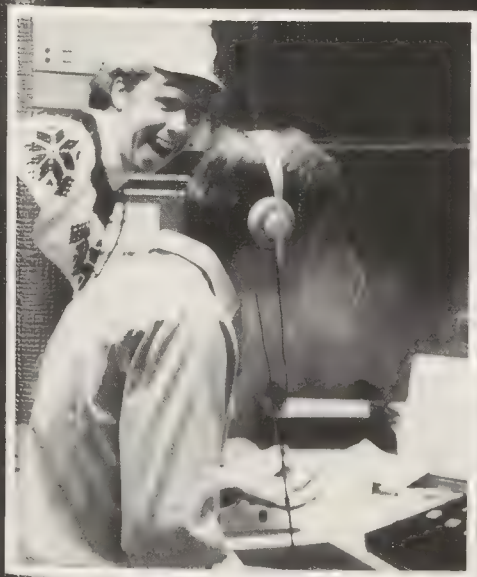

"Roll with the changes" is certainly the sports staff motto. Teams change every year — winning and losing seasons are only part of it. With the opening of the Sports & Recreation Center in January sports will continue to be a strong part of campus life. Special thanks goes to all the coaches, the non-yearbook photographers (Steve Silverman, Dave Moore, Tom McDonald, Steve DePerrot, Mr. Marsh), and naturally all the athletic students who filled this section with life.

Commencement 1983

The most important and difficult change facing every college student is receiving that prized degree and stepping out to face the "real world." It is something dreamed about, prayed for, and at the same time, very unnerving! On May 29, 1983, the Class of '83 had their turn in the spotlight. Four years of hard work and good times culminated in the Kennedy Sports + Recreation Center as they gathered one last time as a class before family and friends. This year's ceremonies had a special touch in that all of the guest speakers had sons in the graduating class, most notably Dr. Paul G. Pearson who delivered the commencement address.

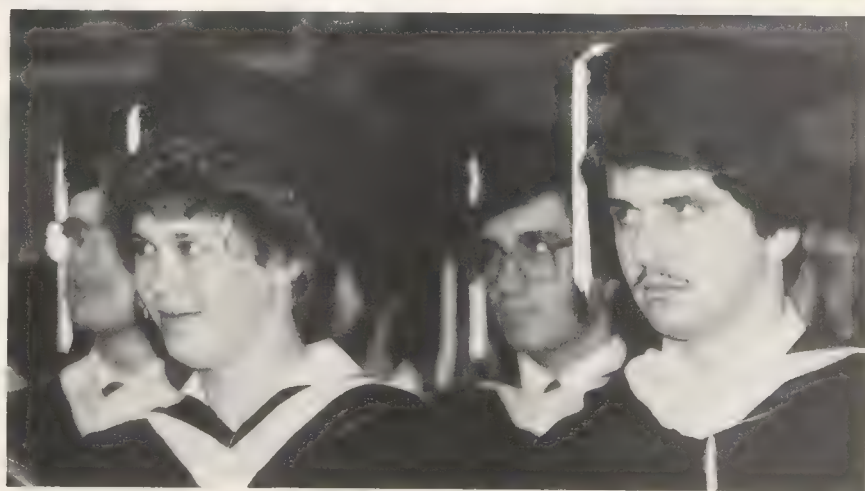

Also honored at the day's festivities were Dr. Kim Richardson and Dr. James Lakso, who were lauded for their outstanding teaching achievements in the 1982-83 year.

So as Senior Week and senior year all came to an end, the graduates, minus their white-soled sneakers, said their goodbyes, wish each other the best of luck and promised to meet again at JC.

ALFARATA 1983

Rollin' Right Along

Dear Juniata,

After long hours of writing copy, drawing layouts, proofreading, making posters and endless meetings, we present to you ALFARATA 1983!

Each year we highlight the senior class and this year's edition features "Roll With the Changes" as its theme. This class is no stranger to change for it has accompanied them all four years that they lived here. They are an adaptable group, who manage to hold together as friends. Alfarata watched them change and grow, and now salutes them.

A special salute goes to the seniors pictured on these pages. Under each senior editor's name is the list of their years on the Alfarata staff. These represent a combined effort of 25 years of experience and know-how. Their dedication will certainly be missed by the college community.

Now it's my turn to say goodbye at last. Thanks, JC, for the memories and the experiences. Best of luck to those who follow after us. You'll need it!

Rolling with the changes,
Janet
